ORGANISATION

A WORD FROM THE CHAIR

We sincerely thank everyone who helped us achieve what we envisioned this year.

The journey from helping children suffering from cancer to educating poor children was very difficult and full of challenges. Yet, if this dream can come true it will be because of the support of all our donors and the hard work of all our volunteers.

We pray to God for the health of you and your family and thank you from the bottom of our hearts.

FOOD DISTRIBUTION.

Addressing Hunger in India

India is a densely populated nation, where each individual has unique needs. For many impoverished families, hunger stands out as their greatest challenge in fulfilling basic requirements. That's why our organization is dedicated to assisting those in need.

Our Impact

We provide food to over 2,000 individuals each year in locations such as:

AIIMS

Safdarjung Hospital

Kalawati Children's Hospital

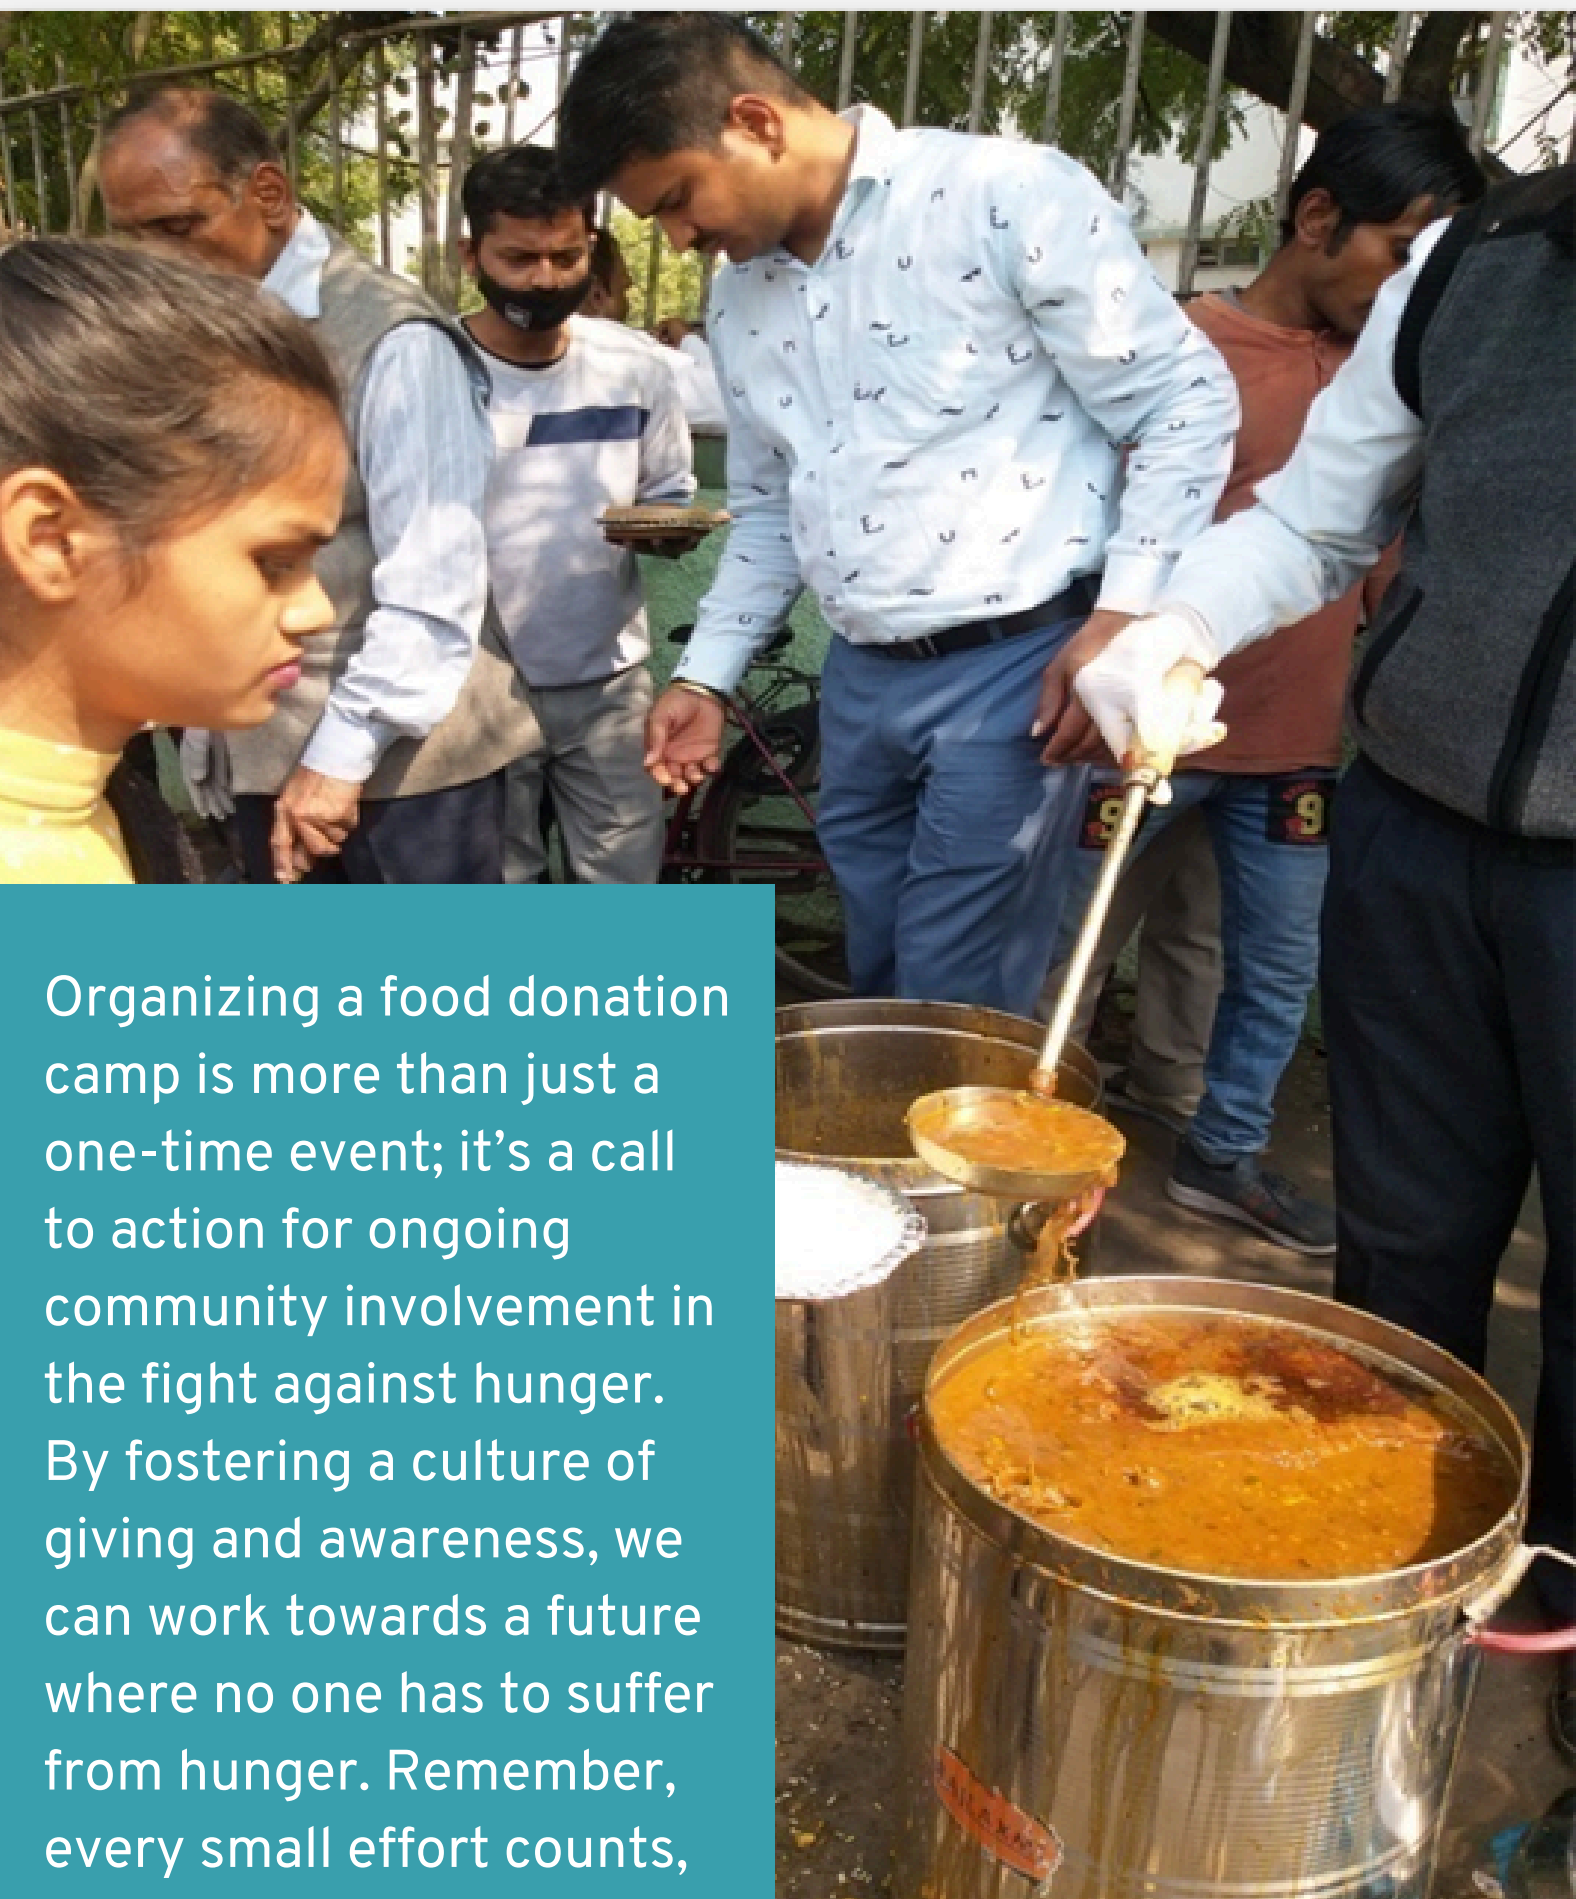

Additionally, we have organized food distribution camps in the surrounding slums to further support our community.

Organizing a Food Donation Camp: A Step Towards Ending Hunger

Understanding the Global Hunger Issue

Hunger is a pervasive issue affecting millions worldwide. Despite significant advances in technology and agriculture, many people still go to bed hungry every night. This situation is not merely a result of food scarcity but often due to inequitable distribution and access. By organizing food donation camps, communities can take a significant step towards alleviating hunger, ensuring that everyone has access to nutritious meals.

Organizing a food donation camp is more than just a one-time event; it's a call to action for ongoing community involvement in the fight against hunger. By fostering a culture of giving and awareness, we can work towards a future where no one has to suffer from hunger. Remember, every small effort counts, and together, we can make a significant difference.

DELHI FLOOD DISASTER.

Causeless Happiness Organization Aids Delhi Flood Victims

In the aftermath of the devastating flood that struck Delhi on July 13, 2023, the Causeless Happiness Organization has stepped up to provide crucial support to affected families. As the Yamuna River overflowed, thousands were forced to evacuate their homes and businesses, seeking refuge in safer areas.

The Impact of the Flood

The floodwaters surged into residential neighborhoods and commercial markets, causing significant damage. Many families lost their homes and possessions, while businesses faced the brunt of the destruction, resulting in widespread economic loss. The chaos and disruption left countless individuals grappling with uncertainty and the challenge of rebuilding their lives.

YEAR 2030

BETTER ENVIRONMENT, BETTER TOMORROW.

Earth's beauty is our duty.

A small yet meaningful effort has been made by school children to protect their environment. With the assistance of the Causeless Happiness team, these remarkable kids helped us raise awareness about how our collective actions can contribute to saving Mother Nature. Together, they supported the planting of approximately 40 to 50 new trees.

EDUCATION

Uplifting children's spirits through education is a mission we cherish. Recently, we distributed stationery kits to encourage young minds and highlight the importance of education. These kits, though basic, symbolize the beginning of an educational journey full of potential. By providing these tools, we aim to spark their creativity and curiosity, empowering them to embrace learning. Education is transformative, opening doors to a brighter future by offering empowerment, opportunities, critical thinking skills, and social interaction. We shared success stories to inspire the children to dream big and work towards their goals. Our efforts seek to foster a lifelong love for learning, enabling them to build a brighter future for themselves and their communities.

“BETI BACHAO PADHA HUM DENGE”

SUPPORT FOR ORPHAN CHILDREN.

The organization provided financial assistance to orphaned children, ensuring their needs were fulfilled and helping them navigate challenges on their path to a brighter future. This support extends beyond mere financial aid, as it encompasses guidance and emotional support as well. Furthermore, with the unwavering dedication of our committed volunteers, we organized nutritious meals for all the children, creating a warm and welcoming environment. Seeing the happiness on their faces, as they gather and share meals, confirms that we are making significant strides toward this noble cause. This joy is a testament to the positive impact we are having, reinforcing our commitment to continue our efforts.

SUPPORT FOR CANCER PATIENTS
“DON'T FEAR CANCER ,
FIGHT IT!”

Causeless Happiness: Supporting Cancer Patients and Families

The Causeless Happiness organization dedicates itself to supporting cancer patients and their families through some of the most challenging times of their lives. Each year, we are inspired by the courage and resilience of children battling cancer, and it is their strength that motivates our volunteers to work tirelessly in efforts to help save their lives.

Addressing Poverty in India

India, known for its vast and diverse population, faces significant economic challenges. A considerable portion of the population lives below the poverty line, making it difficult for many to meet their basic daily needs. Recognizing this issue, our organization has taken proactive steps to alleviate some of this burden for families affected by cancer.

OUR LITTLE CANCER FIGHTERS!

Monthly Relief Efforts

Understanding the financial strain that cancer treatment can impose, Causeless Happiness offers more than just treatment support. We provide essential monthly rations and daily necessities to families in need. This initiative aims to ease the everyday struggles that these families face, allowing them to focus on the health and recovery of their loved ones.

Our Contributions Include:

- **Treatment Support:** Assisting families with the costs associated with cancer treatment.
- **Monthly Rations:** Supplying essential food items to ensure families have access to nutritious meals.
- **Daily Necessities:** Providing items such as toiletries, clothing, and other household needs to maintain a decent quality of life.

The Power of Volunteerism

Our volunteers are the backbone of the Causeless Happiness organization. Their dedication and compassion drive our mission forward. By working collaboratively with local communities, healthcare providers, and donors, our volunteers strive to make a tangible difference in the lives of those we serve.

WOMEN EMPOWERMENT MENSTRUAL HEALTH AWARENESS CAMP

Promoting Women's Empowerment and Self-Reliance

As conversations about women's empowerment continue to grow, we are also entering a period where self-reliance among women is being strongly encouraged. Our organization is committed to aiding women in their pursuit of rights and justice.

Our Initiatives Include:

- **Monthly Awareness Programs:** We host educational sessions designed to increase awareness of women's rights.
- **Free Skill Development Courses:** We provide free courses that empower women to improve their skills, paving the way for greater independence.

MENSTRUAL HEALTH AWARENESS CAMP.

On behalf of the Causeless Happiness organization, we host awareness and health hygiene camps each month in schools and local communities. Currently, many women lack knowledge about menstrual health and the serious illnesses that may impact them. To encourage women to prioritize their health and foster self-reliance, we have initiated a small but meaningful step by distributing sanitary pads every month.
