MESSAGE FROM OUR FOUNDERS.

Dear Supporters,

We really hope that you are all healthy and well. We all know that we are all affected by the current COVID-19 pandemic.

Families lost their loved ones due to this pandemic, most people lost their jobs Where the basic needs of a family such as food, shelter, clothing and education are not met. It can give rise to other problems like poor literacy, unemployment, malnutrition etc. With the help of kind people like you and our volunteer team, we make it possible to fulfill our responsibilities towards the needy in the society.

We are still working on platforms like medical support, food support, giving clothes and girl child education-

***“Beti Bachao Padha Hum Denge”**. We wish and hope that we all overcome this situation and live life as before. Our heartfelt wishes are always with you because with your cooperation and our efforts till date it has been possible that we help people who are very needy.*

COVID SUPPORT

- Knowing the sad situation of the country we took quick action and provide free food to those who lost their source of income due to lockdown.
- Not all those in need were in a position to apply for or received government aid. Some of them belongs to different states and their documents may have been missing or incomplete. Some may not have ration cards and others may not know where and when food distribution took place.
- Our team with their visions and missions procured kits(contain-Raw food, flour, pulses ,vegetables, oil, salt, and rice as well as sanitary napkins , masks and sanitizers) door to door for those families who were struggling and facing hard time during lockdown.

ACTIVITY AND AWARENESS PROGRAM AFTER LOCKDOWN

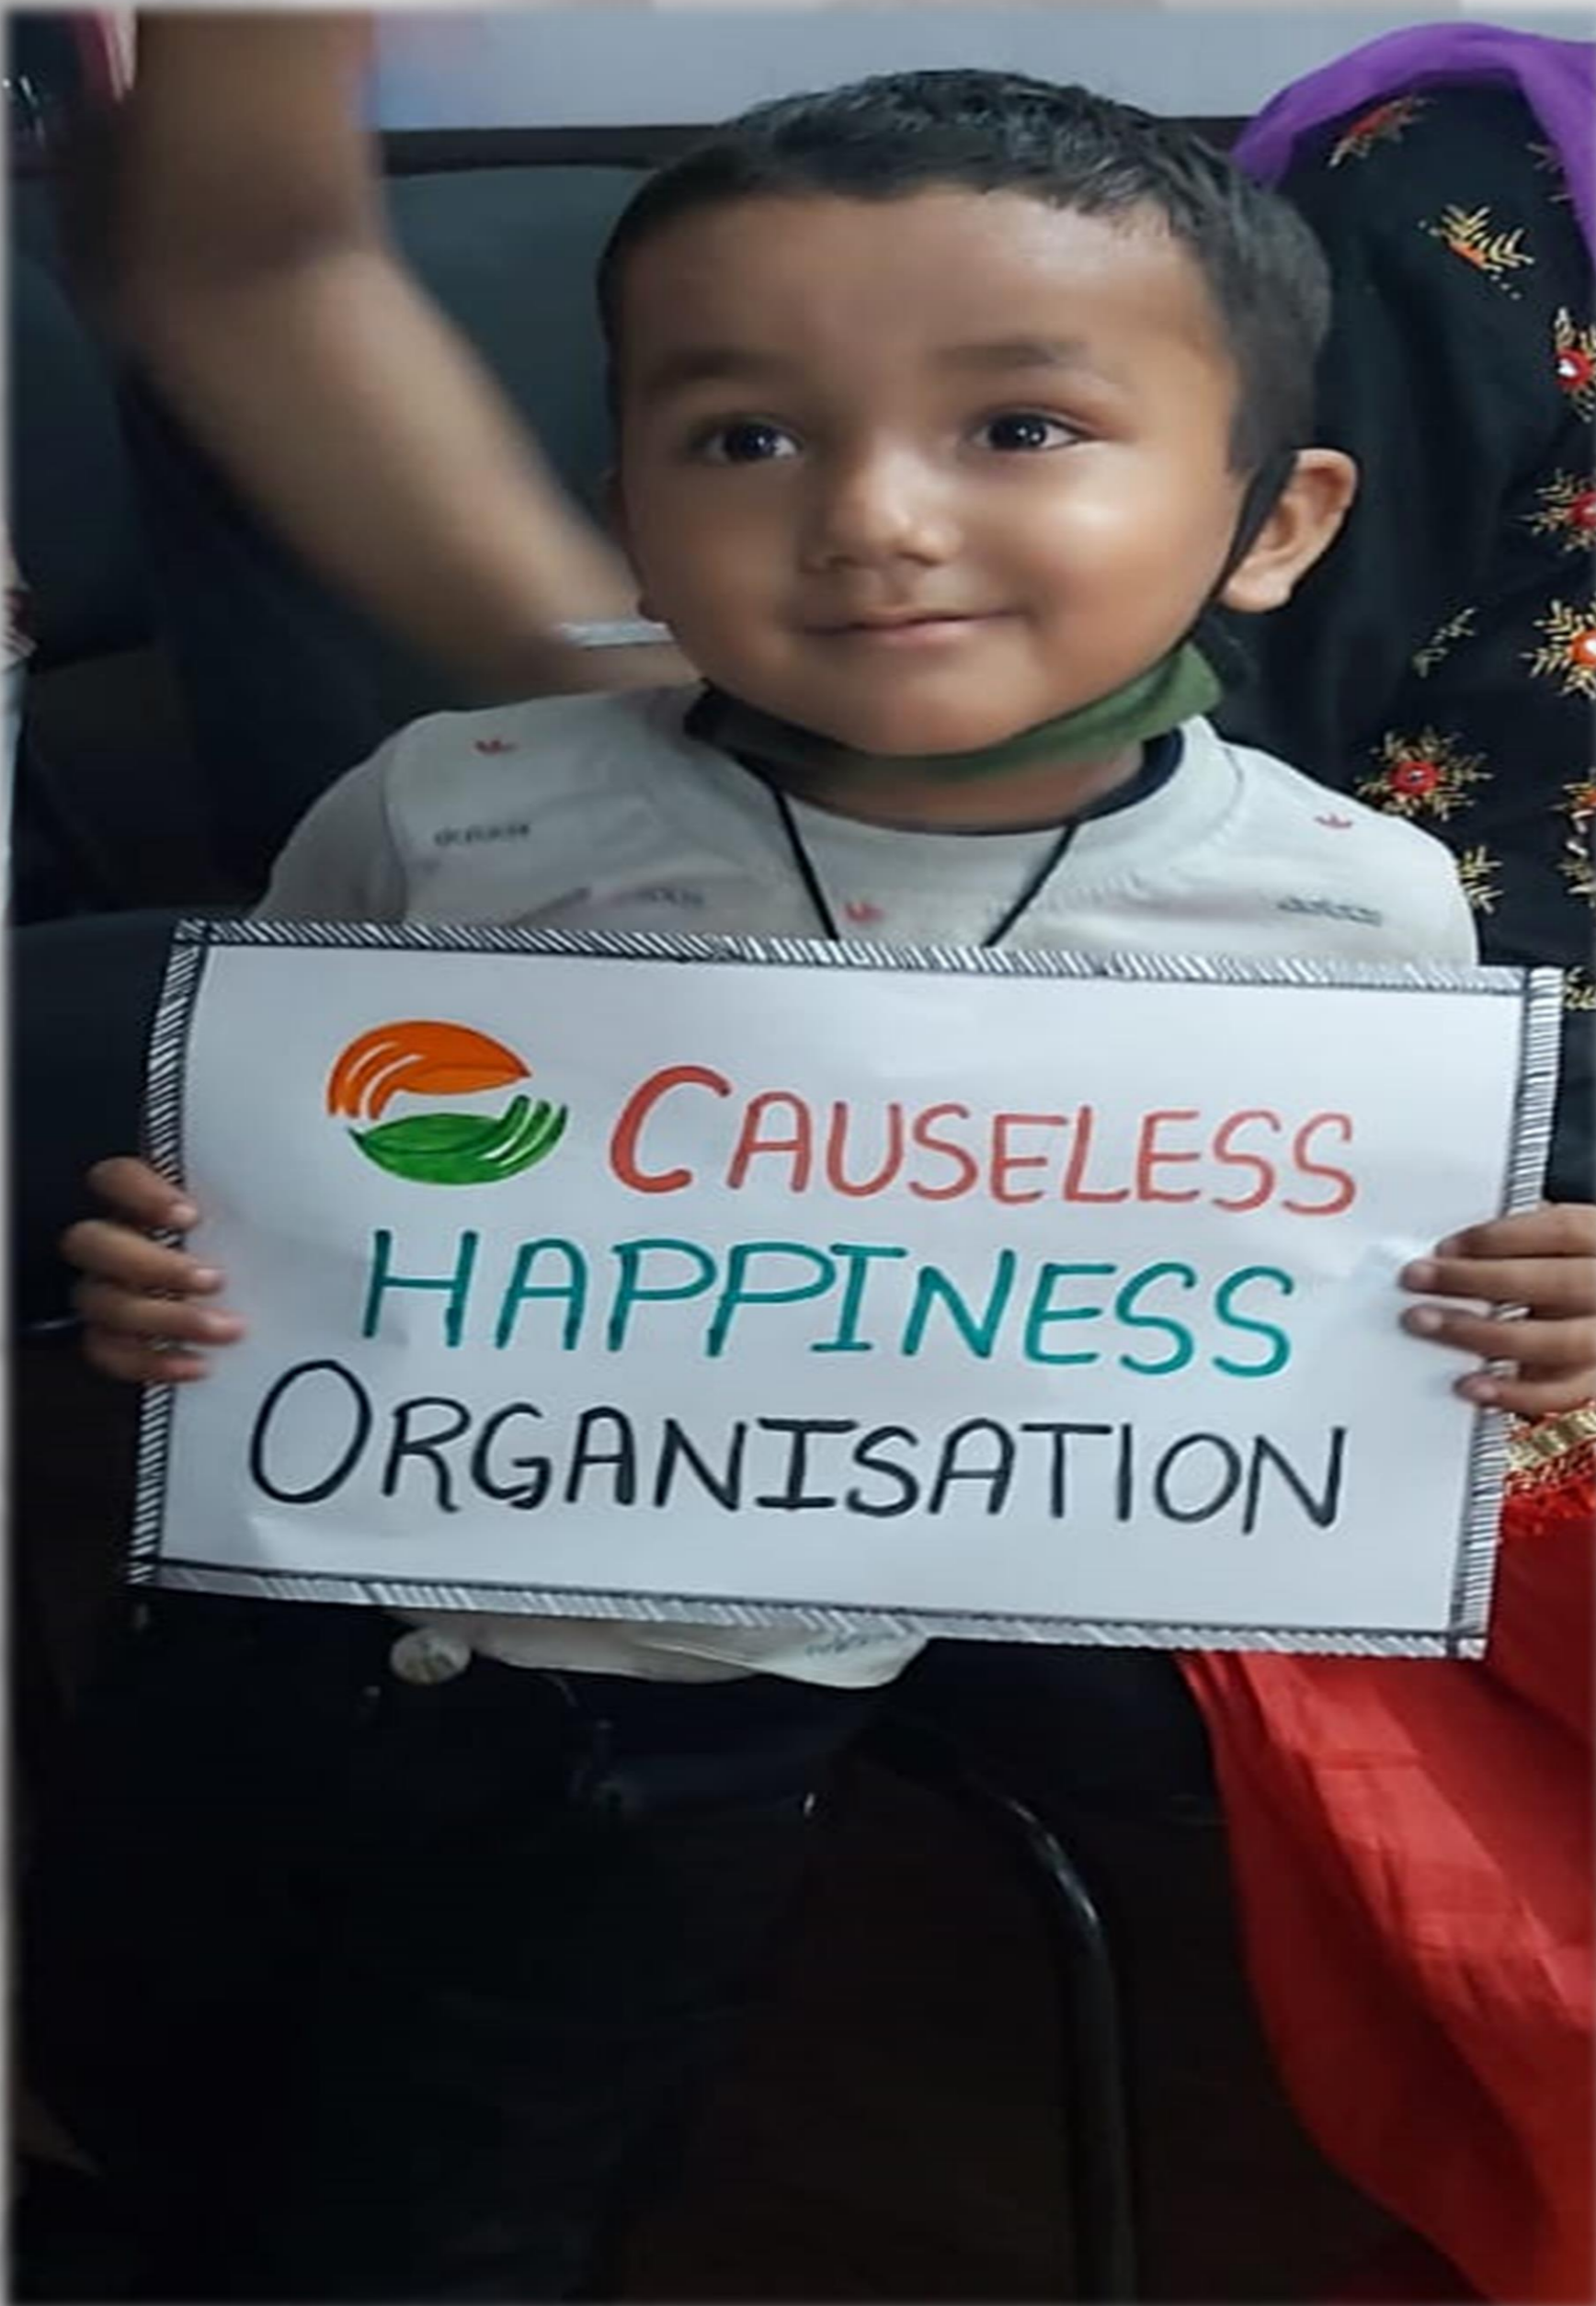

Not only support we gave awareness about social distancing and usage of hand wash practice. It is very important that funds are raised as early as possible to meet this partially fulfilled need. Knowing this situation awareness, protection and prevention is very important at this time.

MEDICAL SUPPORT

“Cancer is a marathon- you can’t look at the finish line. You take it moment by moment ,sometimes breath by breath , other times step by step”.

Causeless Happiness Organization helps in every steps for children’s treatment. However in difficult situation of national lockdown we successfully provide medical aid to little cancer fighters.

FOOD DISTRIBUTION

Distributed free groceries and Raw food to the poor every month , a huge effort to help struggling communities cope with loss of work and income in the wake of the lockdown.

**FOOD DISTRIBUTION
AT AIIMS HOSPITAL .**

"You can have everything you want in life if you just help enough people get what they want in life."

We were not allowed to hold any meetings or campaigns during the COVID restrictions. In such a situation, we distributed dry food items for the rural poor. Shops were opened for a limited time, public transport was not working.

Loading-unloading workers are helpless at that time. some of them became unemployed and were battling really hard times. At that time our team support them physically and financially. There's nothing more satisfying than seeing a smiling face around, and that satisfaction exponentially multiplies when you are the reason behind it.

**World peace starts
with feeding the
hungry.**

**Helping those in
need is not
charity, it's
humanity.**

"ANNAPURNA" **FOOD CAMP**

Our motto in life is 'If you think it, you can do it' and if we all apply that thought we can end hunger the world over.

“Causeless Happiness Organisation” organise food camp every month. About 200-400 people we feed every day in the wake of covid-19.

The Token Of Care

Giving blankets is a great way of helping out the community. Donations of blankets can make a great difference to an individual or organization, especially homeless. In the raining & freezing nights we found Many poor people living on roads. There are millions of underprivileged who cannot even afford a blanket and die.

GIRL CHILD EDUCATION

We support girl child education. According to statistics, around 63.5 percent female students quit school during adolescence. Aim of the organisation under this project is to support rural as well as urban girls' education. Under project "Beti Bachao Padha Hum Denge", organisation is contributing financial aid for girl's tuition.

This project is born to help educate girls of very poor family, who wants to study not only for their identity but the betterment of society as well.

Our motto is also same we are running this campaign
“Beti bachao padha hum denge” where we are taking initiative and giving awareness regarding girl education in rural areas. We believe that one day through education the women are able to shield themselves. Through education we can also eliminate the discrimination on the basis of gender..

When girls educated, their countries become stronger and more prosperous.
